Catamount Ski Area, NY/NH

Just for Kids 4s and 5s Club

As a family-owned and operated winter sports recreational mountain, Catamount has long been aware of the social, mental and physical health benefits of skiing and snowboarding.

That's why Catamount created the **4s & 5s Club** to encourage kids in 4th and 5th grades to put down the video controller and get active! It's healthy fun, and the deal can't get any better: It's FREE for 4th and 5th graders to ski on weekends and holidays provided that they're accompanied by a paying adult.

To take advantage of this special offer, kids must pre-register and become members of the 4s & 5s Club. There are no geographic restrictions, the application process is simple, and reaping the benefits is even easier. Contact Catamount Ski for details.

This year we created the form so you can fill in the information on your computer. Then all you have to do is print it out and send it in. This will ensure that all the information is correct when we get it.
